Southern Pines High School
Southern Pines, North Carolina

Dedication

In the past four years we have grown together. You have grown by giving, and we by taking all that you so willingly gave. Your countless acts of guidance that have been left unthanked will probably never be fully realized. We now have the opportunity to give in this small way. We take pride in dedicating this, the 1964 LANCE, to you, MR. GLENN COX.

MR. GLENN COX

THE SUPERINTENDENT
Mr. J.W. Jenkins

Mr. James W. Jenkins, superintending his first year at Southern Pines High School, is a native of Shelby, N.C., and came to us from Morven, N.C., where he previously spent four years as a superintendent of the city schools there. Mr. Jenkins received his B.S. Degree from Western Carolina College and his Masters from Appalachian College, and is presently working toward his Advanced Superintendents' Certificate at UNC, where he is majoring in Education and Political Science.

Student Council

The Student Council of East Southern Pines High School is the body responsible for listening to the gripes and criticisms of the students and trying to appease the student body along with the Principal and administration in matters both trivial and important. The greater part of this burden this year is carried and carried well, by our president, Robert McCrimmon. He, with increased representation, strives to make the Council, and therefore the school, better.

Beta Club

The Beta Club is a scholastic organization established to promote the principles of honesty, justice service, cooperation, responsibility, industriousness, humility, and charity. In an effort to aid some senior boy or girl, the Beta Club, as its project, awards a scholarship. With these things in mind the members are forever attempting to live up to the Beta Club motto: Ducamos Aliis Serviando —Let Us Lead By Serving Others.

“for we are the builders of homes”

F.H.A.

The Future Homemakers of America is an organized group of girls striving to enrich the school, the community and the state in activities performed yearly. To be a member a girl must have had at least one unit of home economics. The organization is made up of dependable members each having her own responsibilities. The F.H.A. is one of the most active clubs in school.

sounds and sights to incite spirit

The band, under the direction of Mr. Bill McAdams does much to uphold school spirit. The crowds at all home football games are entertained by their half-time show. Each year the band gives a series of concerts to display their progress during the current year. To help pay for new uniforms and various other equipment, the band puts on many money-raising projects. These projects have been very successful in the past few years.

The officers of the band are as follows: president, Connie McKay; vice-president, Rick Lewis; secretary-treasurer, Jimmy Wilson; librarian, Chuck Lewis.

The Monogram Club is composed of high school students who have earned a letter in football, basketball, golf, baseball, or cheerleading. This letter is earned by one year's participation in any of these activities. Stars are given for any additional year. The club is advised by Mr. Billy Megginson and Mr. Dan Kruger, and is responsible for many of the sock hops throughout the school year.

"Headpiece filled with straw..."

"Stop the world,
I want to get
off."

The Pep Squad is made up of any high school students willing to support the Blue Knights at school sports events. The main purpose of this organization is to show spirit and sportsmanship, two assest without which a team would be nothing. So, to you, the Pep Squad, a special thanks goes from the team and spectators for your undying faithfulness to those who fight to win honors for our school.

Initiators of Spirit

Glee Club

The high school Glee Club has been regarded as more important this year than in past years. It has finally worked its way into one full period in the day (much to the joy of some early birds of past years). A new undertaking of the Glee Club, as of two years ago, has been an annual performance of a musical under the direction of Mr. Bill McAdams and Mrs. Jane McPhaul, along with the regular Christmas program and spring concerts. This year, and in the years to come, we hope the interest of high school students in the field of singing and entertainment will lead students to a greater understanding of the world of music.

Autumn

Bonfires...first and ten...trick or treat...pumpkin pie...
We change now from companions to fellow-learners.
Uncomplicated cannot describe our world now;
As we trudge on into a maze of learning
To emerge in the spring—fellow-knowers.

Freshmen—
Each casting unsure shadows on a becoming world.
Grasping each new discovery until it is no longer new.
Looking only forward—never back.

row: Coach Megginson, Jeffries, Kohlhepp, Fisher, Buchholz, Daughtry, Wilson, Coach Manning.

At the first call for candidates during the late summer practice session, the chances for a championship team looked bright. After practice started a few dropped out, but sufficient material to furnish the Blue Knights with a winning team remained.

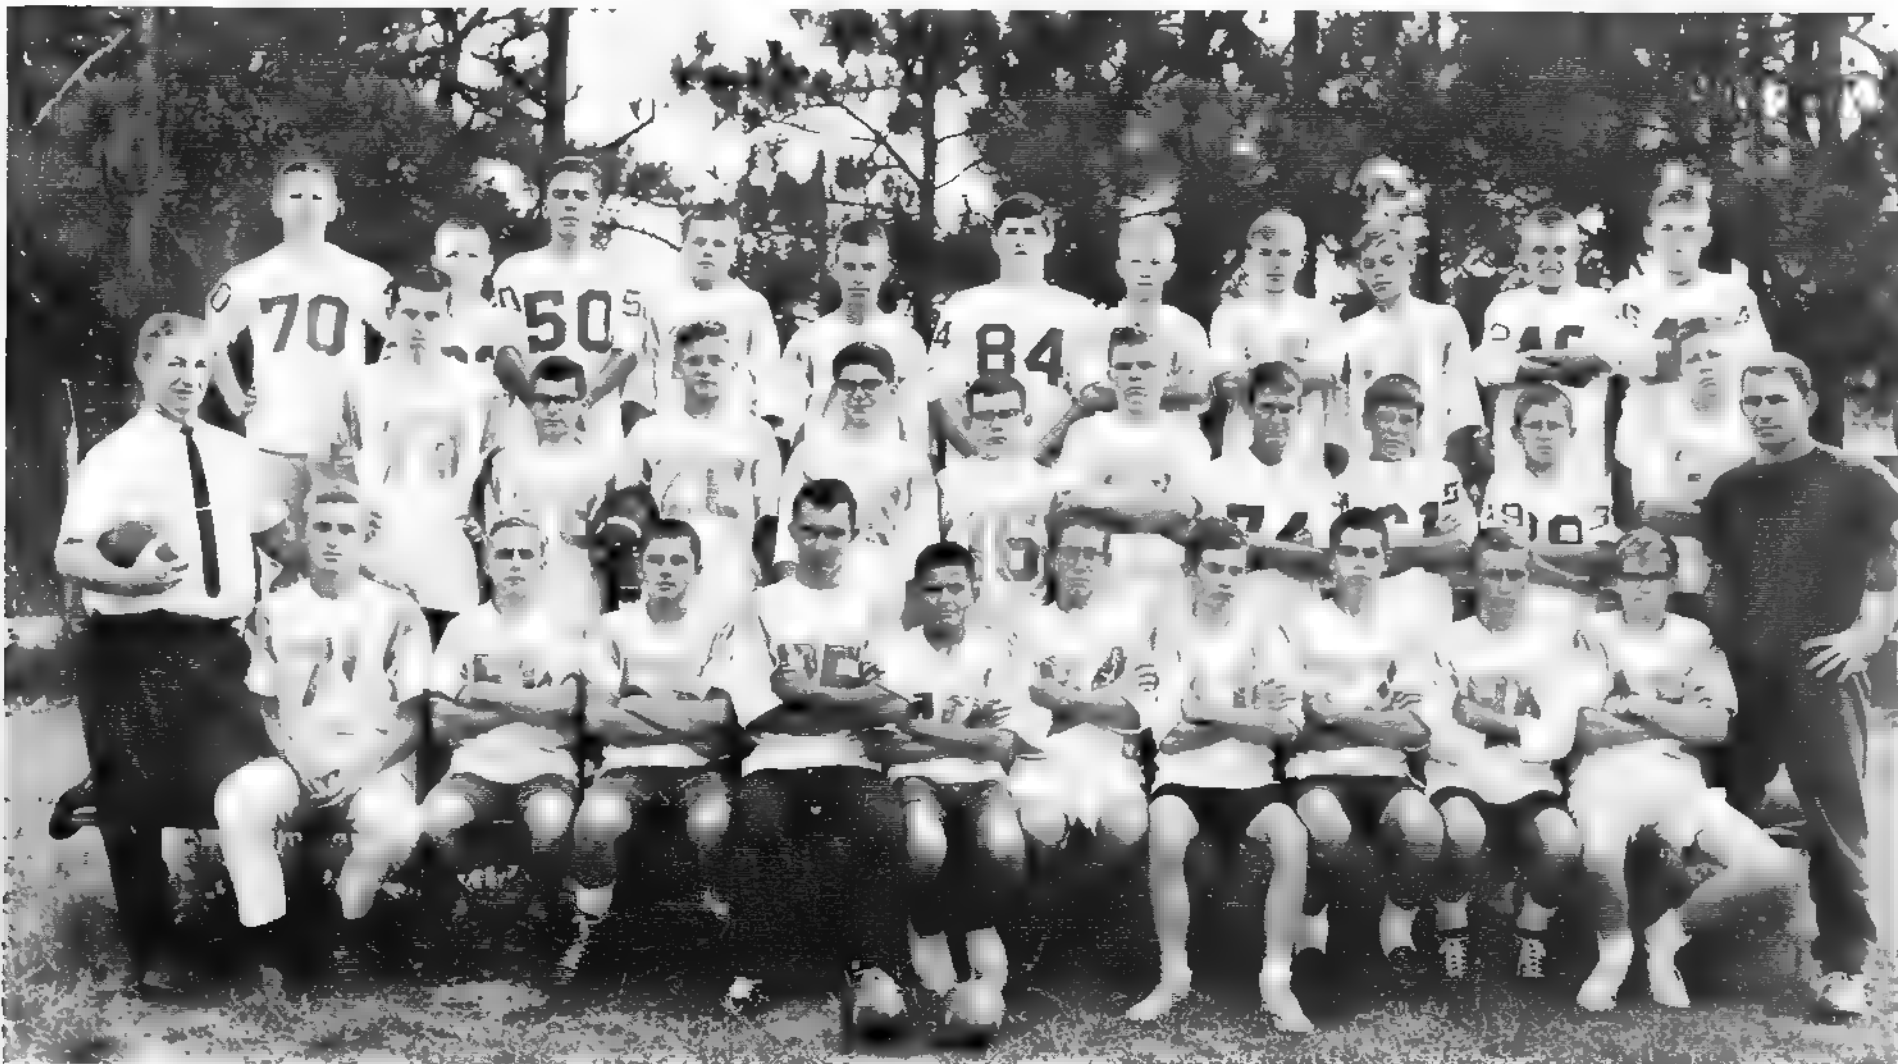

The Blue Knights had an excellent season rating third in the conference games. There were only two upsets in the season and only one expected loss. The team had a very exciting season and the players and Pep Squad showed unusually good spirit. The team is under the direction of Coach Billy Megginson and Coach Dan Kruger. Not pictured as outstanding players on the preceding page are David Morgan and Peter Pezzi.

"Now, Megginson, you go in on defense."

"Will the real captain please step forward?"

The Homecoming Queen is chosen each year from eight girls representing the four classes. The final choice is made by the football team. This year Susie Hill, one of the representatives of the senior class, was chosen for this honor.

"But I was here first!"

The Blue Knights had a very successful season this year a 18-4 record, under the direction of Coach Dan Kruger. Robert McCrimmon, a senior, was the top scorer on the team and came in second in Moore County. Francis Warren a 6'4" center, also a senior, was the leading rebounder on the team and was the fourth scorer in the conference. Garland MacPherson who joined the Blue Knights the second half of the season was also a leader in rebounding. Junior guards Hal Hassenfelt and Lynn Daeke round out the starting five. The Blue Knights came in second during the season. We haven't the words to describe our feelings for the finest team ever.

The very end!

The Southern Pines Girl's team lost the games this year but they won something far more important—the loyalty and love of their fans. With sportsmanship always, they gave us many exciting games. We couldn't be prouder of a team who never said die.

Spring

Impatient seniors...weary juniors...expectant sophomores...
established freshmen...

Sky now changing from bleak to blue.
Minds not content to follow black words on white paper.
Calm, but impatient with learning.
Counting days on eager fingers.

Graduation—
Remembering eyes grasp familiar surroundings.
Minds quick to remember not to forget.
Past and future vie—future's victory;
And we are taut—resisting but impatient.

Southern Pines has a very fine golf team. Being located near the Golf Capital of the World the team gets the experience it needs. With the experienced members and the new ones there are great hopes for the team in future years.

Due to the initiative of Mr. Propst, the coach of the tennis team, Southern Pines now has a team of which it can be proud. The only match last year was played against Asheboro. With increased enthusiasm and more practice, this year's team should be ready for future tournaments.

The Southern Pines track team had a very successful season last year. The members of the team participated in track meets all over the state. Their coach, Mr. John Williams, worked with them and saw them through the most important meet victoriously when they won the Moore County Championship.

First row, left to right: Peter Pezzi, Dan Thomas, Pat Dougherty, Mac Fowler, Ricky Johnson. Second row: Brian Trent, James Mallow, Stanley Whitley, Terrell Reynolds, Eddie Bridges. Third row: Harry Webb, Charles Phillips, Hal Hassenfelt, Charles Garner. Fourth row: Ralph Hendren, Jim Ritchie, Mike Bucholz, Coach John Williams.

First row, left to right: Charles McLaughlin, David Miller, Jeff Donovan, Danny Crowley, Jimmy Pate, Warren Hannah. Second row: Hal Hassenfelt, Larry Daugherty, Ronnie Bradley, Bobby Mooney, Larry Bradley, James Carver, Dennis Dougherty, Gary West, Cullen Fisher, Coach Dan Kruger

Due to the inexperience of the boys on the varsity baseball team, a few boys were relied on to carry most of the weight of the team. This small team, however, showed outstanding spirit, and should become one of the toughest teams in the county.

From the Class of 1964

Understand the purpose for being in high school, and you are half graduated. You are here to learn; therefore, learn with every bit of ability that you possess. Don't just make minutes count, but fully absorb everything that is in those minutes as vital. You see here symbols of our accomplishments. For some these represent four years of six periods a day, sitting, content with waiting for the bell. For others they are the end to a period of learning, of growing, and of obtaining wisdom to be found in no other place. It is your choice to make; make it wisely.

Two roads diverged in a wood, and I—
I took the one less travelled by,
And that has made all the difference.

The high school faculty, portrayed by Happy Baker, race across the wall in the cafeteria.

A quiet atmosphere prevails during a fifth period study hall.

Two custodians patiently clean up on the day after Halloween.

Even with Mr. Propst as a teacher, first period is too early for sociology.

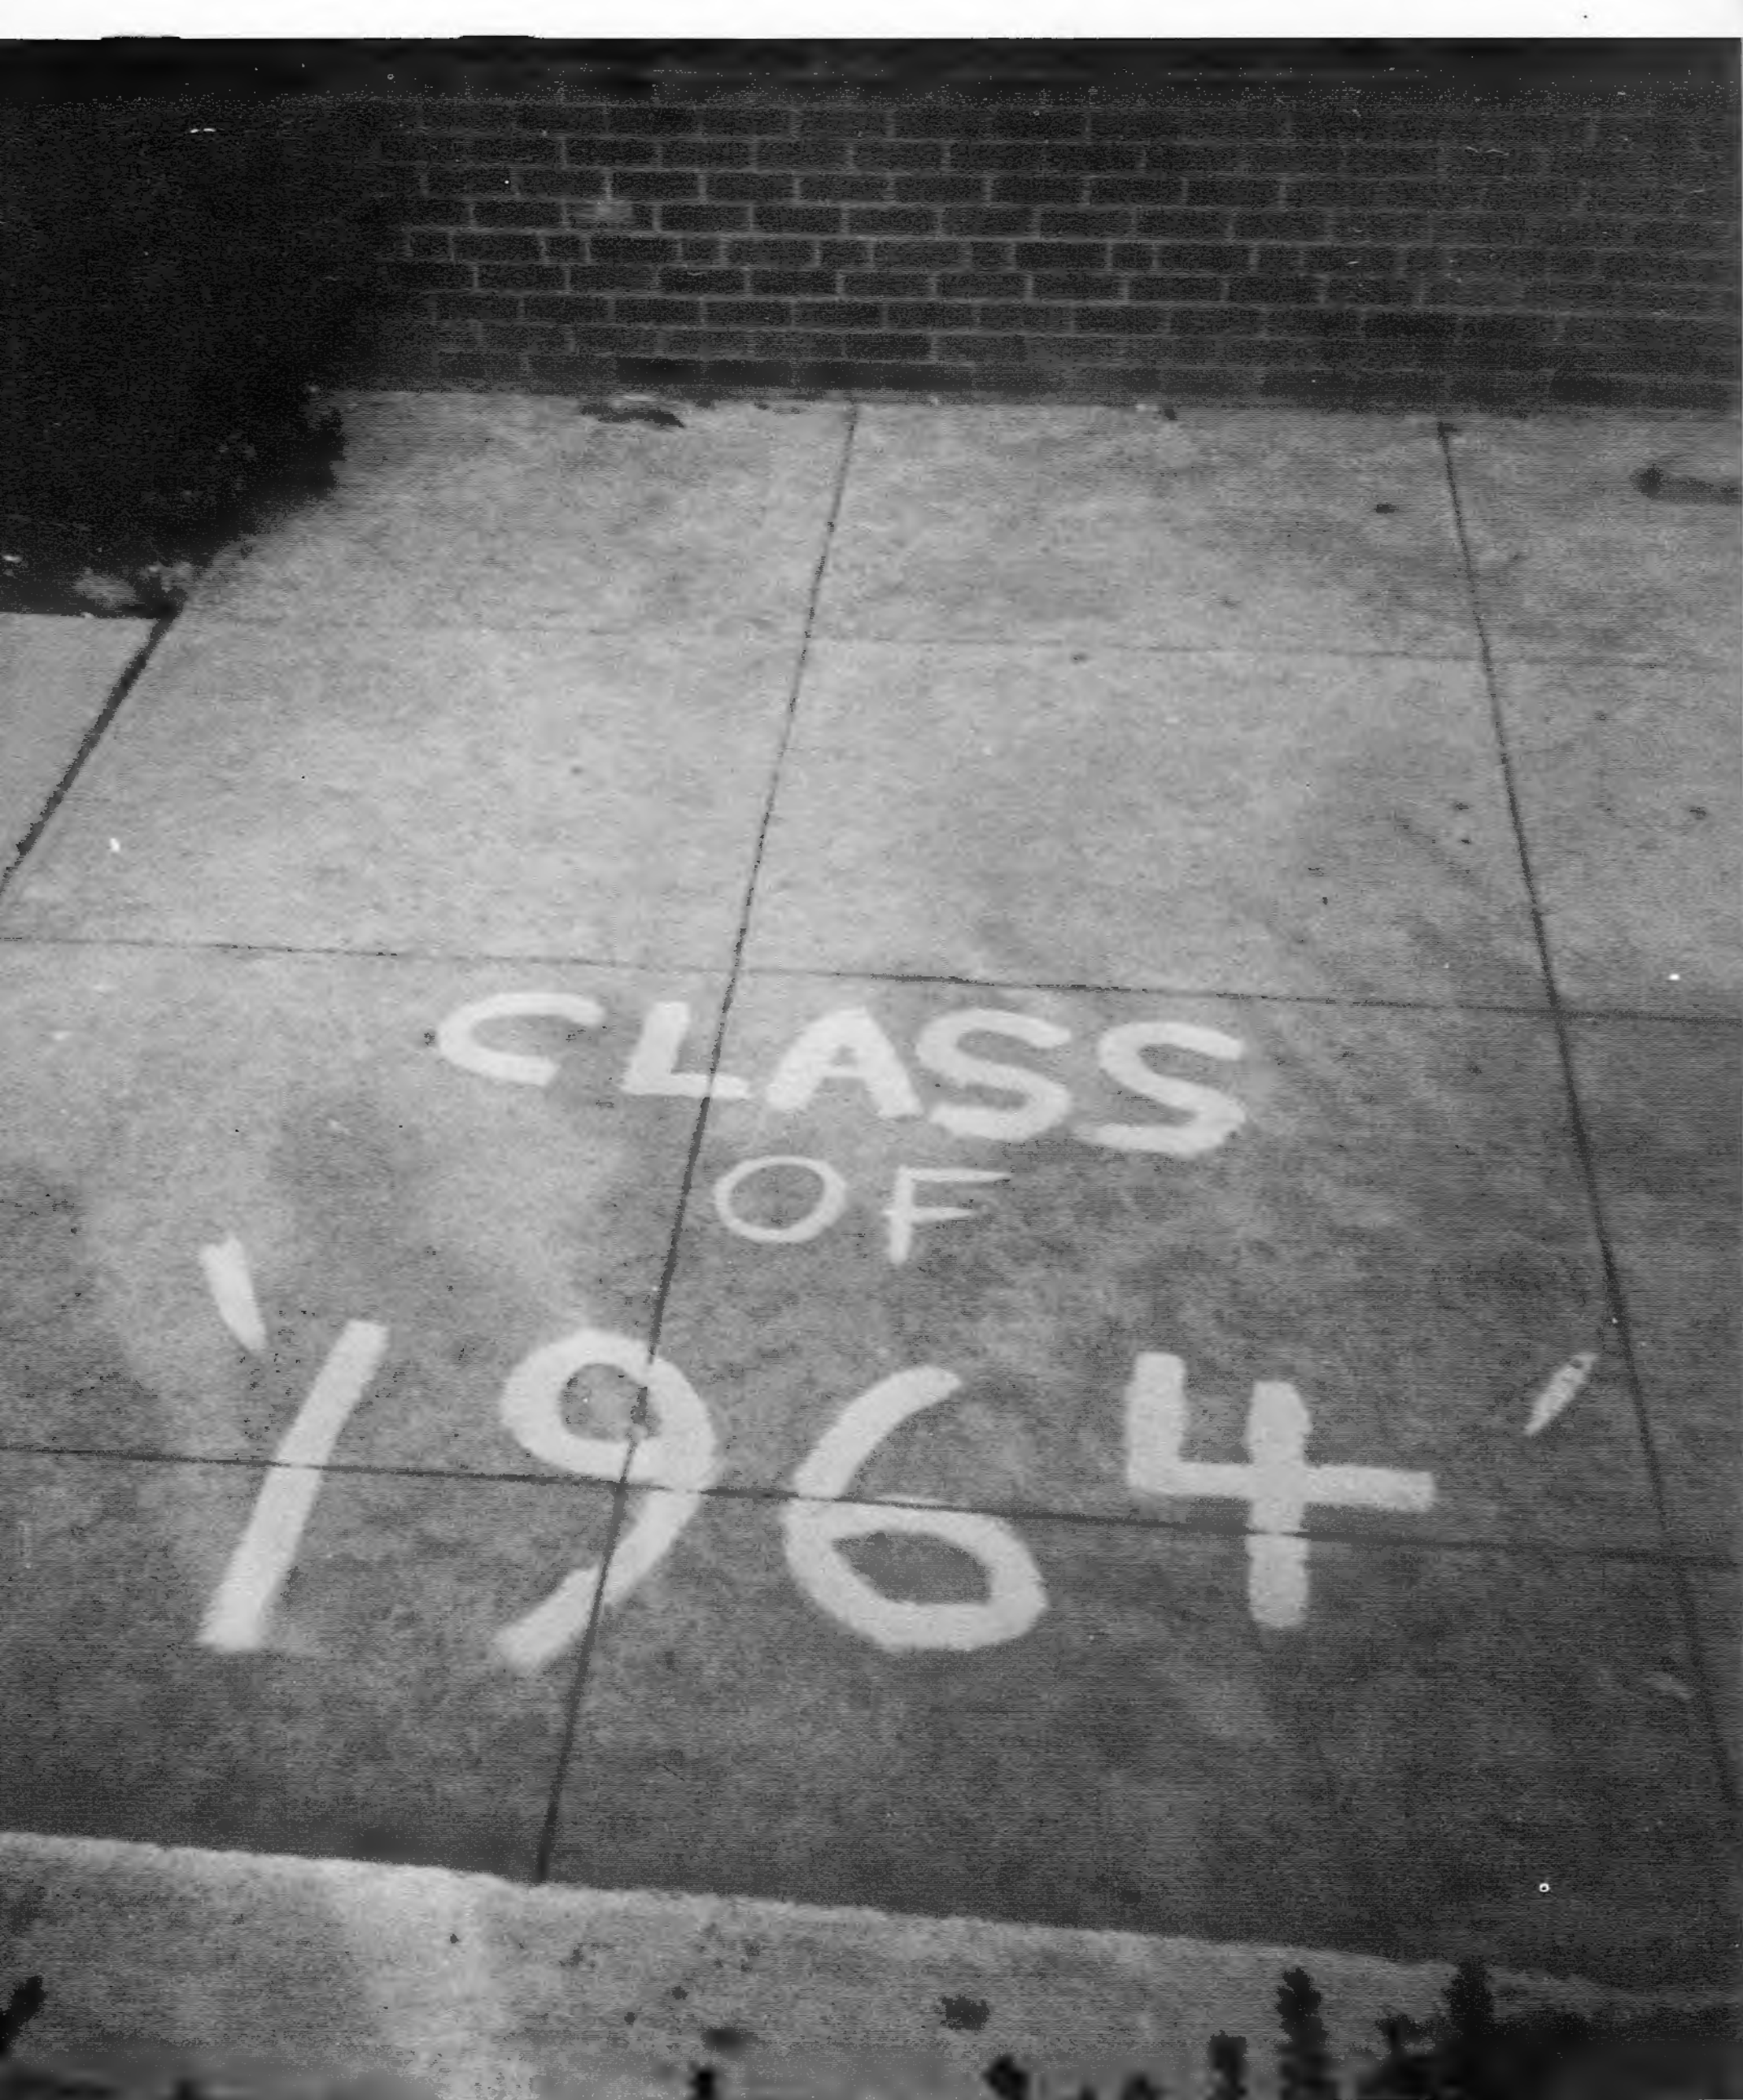

Mrs. Swisher gives excellent guidance to those who will soon enter the business world.

Future homemakers busy themselves in the kitchen of the Home Ec Room.

Daily life at S.P.H. entails tasks, many and varied.

"Time goes, you say? Ah, no! Alas, Time stays, we go."
